The Honorable David Joyce
Ranking Member
Subcommittee on Interior,
Environment, and Related Agencies
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Pingree and Ranking Member Joyce,

I am requesting \$125,000 in funding for 36" Main Sanitary Sewer Trunk Line Evaluation in Moundsville, West Virginia.

The project sponsor is the Moundsville Sanitary Board and Operating Fund and is located at 800 6th Street Moundsville, WV 26041.

The funding is designated for the Sanity Board to clean, camera, and evaluate approximately 10,500 ft of main sewer line that serves approximately 75% of Moundsville citizens/businesses, and 100% of Glen Dale, West Virginia.

The project is an appropriate use of taxpayer dollars because it is the main sewer line that serves the majority of citizens in both Moundsville and Glen Dale, West Virginia.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

David B. McKinley, P.E.
Member of Congress
